# CLEAN. DRY. AIR.

REMOVES  
**90%**  
OF HARMFUL  
MOISTURE

The HILL Dry Pac System removes moisture from ambient air before it enters your hand pump helping to prevent internal corrosion.

- Colour Changing Dry-Pac medium
- Beads change from orange to green

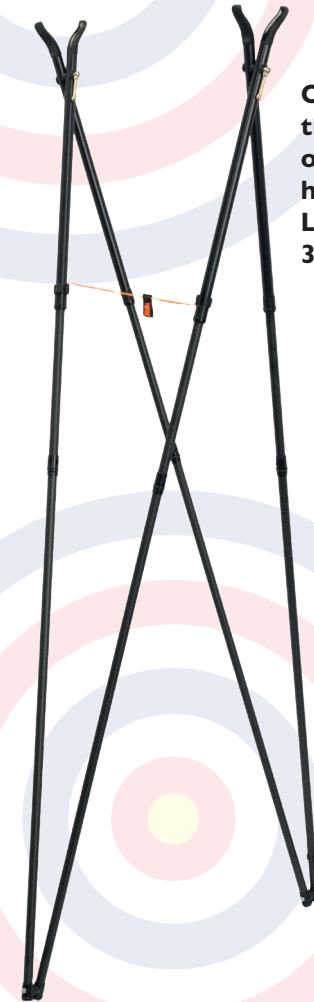

## PARTS & ACCESSORIES

We stock a huge range of service kits, adapters and accessories.

For help with maintenance or servicing please contact us for advice or technical help.

Our pumps are designed with servicing in mind. We offer full servicing at our factory.
